WINTER PROOF™

ICE MELT

WinterProof, **Canada's number #1 brand** for protecting RV/Cottages/Pools water systems is pleased to launch a Ice Melt specially formulated for exterior use during Canadian winters.

Reducing the chance of slips and falls during snow or ice storms should be quick and stress-free. With WinterProof™, you can easily secure the safety of your loved ones and passerby.

- Fast acting, defrosts down to -31°C
- Non staining formula
- Gentle but effective on sidewalks, asphalt, mature concrete, treated paving stones and gardens/vegetation
- Prevents snow from sticking and ice from forming
- Bag has built in handle for easy use
