10-FOOT
TRANSPORT CHAINS

Kinedyne's Grade 70 Chain Assemblies are designed to secure your cargo with unmatched **strength and reliability**.

Made from heat-treated carbon steel, these chains are built to handle tough conditions, while the **zinc-plated Clevis Grab Hooks** ensure a firm and secure grip on your load.

Durable and corrosion-resistant, they provide the stability and peace of mind you need to keep your cargo safe during transport, no matter the challenge.
