Windshield De-Icer For Windows & Wipers

Prestone® Windshield De-Icer has an adjustable, dual-action trigger sprayer that fights ice and frost. Specially formulated with quick ice melting ingredients and tough re-freeze protection.

- Melts Ice & Frost
- Helps protect against re-freezing
- Fast acting for windows & wipers
- Helps clean dirty windshields

IDEAL FOR CARS STORED OUTSIDE - HOME OR WORK

FOR THICK ICE areas use the "Stream" option on the trigger sprayer to soak the ice. A second application may be required. **FOR FROST AND LIGHT ICE** use "Spray" option on the trigger sprayer to cover large areas. Score surface of ice with a scraper. Generously apply Prestone® Windshield De-Icer to windshield, remove loose ice with scraper. **NOTE:** Do not use on plastic windows.

DIRECTIONS: Start car and turn on defroster. Spray Prestone® Windshield De-Icer on frosted or iced area. Wait a few seconds. Operate windshield wipers to clean windshield.

WARNING: Reproductive Harm - www.P65Warnings.ca.gov

DANGER: POISON **FLAMMABLE.** Vapors may be explosive in confined areas. Use only with adequate ventilation. Keep product away from all sources of heat, sparks and flames. Do not smoke while using. Store away from direct sunlight. Do not swallow. Cannot be made nonpoisonous. Avoid contact with eyes, skin and clothing. Wash with soap and water after handling. Avoid breathing vapors. Contains methanol (67-56-1) and ethylene glycol (107-21-1). **FIRST AID:** If **swallowed:** Do **NOT** induce vomiting. Seek immediate medical attention. **Eye Contact:** Flush with water at least 15 minutes. Seek medical attention if irritation persists. **Skin Contact:** Wash thoroughly with soap and water. Seek medical attention if irritation or other symptoms develop. If **inhaled:** Move to fresh air. Seek medical attention if symptoms persist. Intentional concentration and inhalation of vapors may be harmful or fatal. **KEEP OUT OF REACH OF CHILDREN.**
